DOC NO  
REC'D/FILED

\*\*\*\*\*

NOTICE OF APPEAL

\*\*\*\*\*

Notice is hereby given that Oscar B. McMillian [DOC #042747],  
pro se, Plaintiff in the above named 42 U.S.C. §1983 Civil Rights  
Lawsuit action, hereby [Appeals] to the United States Court of  
Appeals for the Seventh Circuit, from the [Final] Judgment entered  
upon the Opinion And Order (Dkt. #18:1-3)/(Dkt. #19:1) Issued on  
November 17, 2021 (Dkt. #18:3), and Filed on November 18, 2021  
(Dkt. #19:1). Dismissing the 42 U.S.C. §1983 Civil Rights Law-  
suit action, against State Prison Official(s), Over Six(6) Years  
Agenda of Harassment and Retaliation Against [Prisoners'] Access  
To The Court Activities, as a Well Documented and Respected Jail-  
house Lawyer with the State Department Of Corrections, via the  
Masive Seizure(s) and Confiscation(s) of Legal Material(s), Case  
File(s), Law Book(s) and Case Law Material(s), based upon Pro Se  
[Prisoner] litigants' filed [Objection] to initially, District  
Court Judge, William M. Conley's [Dismissal] of the Original Law-  
suit Complaint, and Granting Prisoner approximately Three(3) Weeks

to File an "Amended" §1983 Civil Rights action, that was not as [Detailed] as the Original Lawsuit pleading. Being that this action had sat for Two(2) Years in the District Court before this assertion of Too Much Detail claim was uttered. Pro Se [Prisoner] Plaintiff requested that the Original Action be Assigned to a Magistrate Judge, for a Review that fulfilled the Appearance Of Review Impartiality.

After the Matter was then assigned to the Magistrate Judge Stephen L. Crocker on October 26, 2021, at which Magistrate Judge Crocker via rote adopted the September 14, 2021 Order of Dismissal of the Original §1983 Civil Rights Complaint (Dkt. #18:1), along with Judge Conley's denial of the October 08, 2021 Motion For Reconsideration of the September 14, 2021 Dismissal, as that Dismissal was Not A Final Order From Which Reconsideration could be had; because the Court was permitting [Prisoner] Plaintiff time to file an "Amended" Civil Rights action hereon (Dkt. #18:1).

Plaintiff then sought Relief From Order under Rule 60(b)(6) Procedural Review Allowance of the Original September 14, 2021 Order Of Dismissal of the §1983 Civil Rights Complaint (Dkt. #17). Which was Denied on November 17, 2021 by Opinion And Order of Magistrate Stephen L. Crocker (Dkt. #18:1-3), and Judgment In A Civil Case Filed on November 18, 2021 (Dkt. #19:1). Upon the Assertion that Pro Se [Prisoner] Plaintiff Had Failed To Prosecute The Civil Rights Action, Via His Filing of a Rule 59(e) Motion on the Dismissal of the Original §1983 Complaint by Judge Conley, and a Rule 60(b)(6) Motion to the September 14, 2021 Initial Dismissal Order (Dkt. #10), and the Motion For Reconsideration, Rule 59(e) Review Dismissal conclusion (Dkt. #18:1-3). Dated this 15th day of December, 2021.

OBM/File.  
Attachment-#1.
